Indian Institute of Science and Technology Education and Research

इंडियन इंस्टिट्यूट ऑफ़ साइंस एंड टेक्नोलॉजी एजुकेशन एंड रीसर्च

ADMISSION CUM EXAMINATION FORM

General Instructions

❖ Prospective candidates are required to apply online, carefully following the comprehensive instructions provided when online applications are announced, concurrently with the release of the examination notification.

❖ The online application form can be completed and submitted through the Commission's web portal by the specified deadline for application submissions, as indicated in the Examination Notice.

❖ It is strongly recommended that applicants meticulously review the detailed instructions provided by the Commission at the time of inviting online applications. This ensures that their applications remain free from avoidable issues leading to rejection.

❖ Upon the successful completion of both Part-I and Part-II of the online application process, candidates are required to submit their unique RID (Registration ID) number and date of birth. Subsequently, they should click the "SUBMIT" button to finalize the entire application procedure.

RULES & REGULATIONS

❖ Indian Institute of Science and Technology Education and Research (IISTER) is a legally recognized institution operating independently under the constitutional framework of India. As an Autonomous Professional Institution (API), IISTER holds the authority to impart education and conduct its own examinations. On the successful completion of the courses or on passing the final examinations, student will be awarded the Final Certificate.

❖ Upon successful completion of courses or passing final examinations, students will be awarded the Final Certificate, affirming their achievements in the chosen program.

❖ IISTER does not fall under the purview of UGC, AICTE, AIU, or DEC Acts. Certificates awarded by IISTER are not declared equivalent to those granted by statutory boards or institutions.

❖ IISTER students seeking government jobs or admission to government universities will be subject to the prevailing policies of AICTE and MHRD, with decisions left to the concerned authorities.

❖ IISTER retains the right to alter, modify, or delete any terms and conditions, including fee structures and examination procedures, as deemed necessary for the institution's improvement.

❖ Once enrolled in a program, fees are non-refundable, underscoring the commitment expected from both the institution and the student throughout the program duration. Student enrollment is voluntary and should be a conscious decision based on an informed inquiry about the program's value and the associated certificate. Any objections raised post-enrollment may result in legal consequences as per the law.
